The Secretary of State for Transport, in exercise of his powers under Sections 64 and 65 of the Road Traffic Regulation Act 1984, and of all other powers enabling him in that behalf, for the purpose of informing road users of parking places for electric vehicles on roads for which Sunderland City Council is the traffic authority, hereby:-

4. directs that it is a condition of this authorisation that the authorised sign and the authorised marking may be placed only to indicate the effect of a corresponding Traffic Regulation Order; and

GT50/159/0005

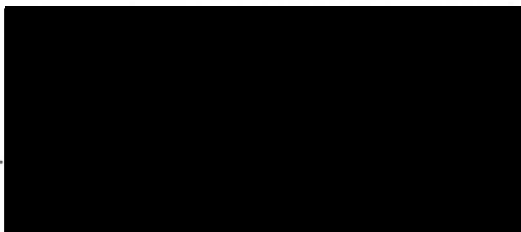

5. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the erection of the authorised sign and the authorised marking at or near the said site shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised sign and the authorised marking and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

The provisions of Regulations 12, 18 and 19 of the 2002 Regulations shall apply to the authorised sign in the same manner as they apply to the sign to diagram 660.6 in Schedule 2 to those Regulations.
