4. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the placing of the authorised marking on the said roads shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised marking and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

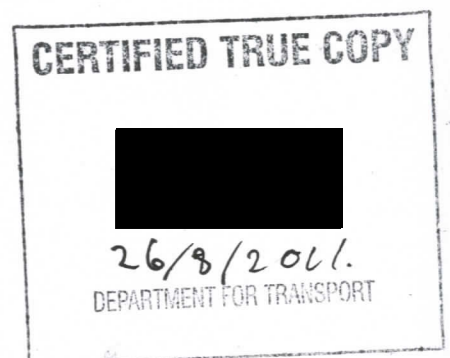

The provisions of Regulations 12 and 31 of the 2002 Regulations shall apply to the authorised marking in the same manner as they apply to the road marking to diagram 1028.3 in Schedule 6 to those Regulations.
