**ROAD TRAFFIC REGULATION ACT 1984 – SECTIONS 64 AND 65
AUTHORISATION OF TRAFFIC SIGNS AND SPECIAL DIRECTIONS**

The Secretary of State for Transport, in exercise of her powers under Sections 64 and 65 of the Road Traffic Regulation Act 1984, and of all other powers enabling her in that behalf, for the purpose of informing road users of contra-flow cycling in the Bermondsey area of Southwark hereby:-

1. authorises the erection at or within 5 metres of the sites marked with a red cross on the attached plans numbered GT50/094/0012-1 of a traffic sign (hereinafter referred to as "the authorised sign") conforming as to size, colour and character with that shown on the attached drawing numbered NP 960.2; and
2. directs that, notwithstanding the provisions of Direction 18 of the 2002 Directions, the authorised sign may be used in conjunction with the road marking to diagram 1057 in Schedule 6 to the 2002 Regulations; and
3. directs that it is a condition of this authorisation that the authorised sign may be placed only to indicate the effect of a corresponding Traffic Order; and
4. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the erection of the authorised sign at or near the said sites shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised sign and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

GT50/094/0012

The provisions of Regulations 12, 18 and 19 of the 2002 Regulations shall apply to the authorised sign in the same manner as they apply to the sign to diagram 960.1 in Schedule 5 to those Regulations.
