5. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the erection of the authorised signs A and B at or near the said sites shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised sign and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect; and

The provisions of Regulations 12, 18 and 19 of the 2002 Regulations shall apply to the authorised signs A and B in the same manner as they apply to the sign to diagram 663.3 in Schedule 2 to those Regulations.
