Department for Transport

GT50/060/0018

ROAD TRAFFIC REGULATION ACT 1984 - SECTIONS 64 AND 65
AUTHORISATION OF TRAFFIC SIGNS AND SPECIAL DIRECTIONS

The Secretary of State for Transport, in exercise of his powers under Sections 64 and 65 of the Road Traffic Regulation Act 1984, and of all other powers enabling him in that behalf, for the purpose of directing traffic to the Dartford Crossings in Kent, hereby:-

1. authorises the erection at appropriate sites in the vicinity of the Dartford Crossings on roads for which Kent County Council is the traffic authority of a traffic sign (hereinafter referred to as "the authorised sign A") conforming as to size, colour and character with the sign referenced Sign A in the attached set of drawings numbered GT50/0060/0018-1; and

2. authorises the erection at the said sites on the said roads of a traffic sign (hereinafter referred to as "the authorised sign B") conforming as to size, colour and character with the sign referenced Sign B in the said set of drawings; and

3. authorises the erection at the said sites on the said roads of a variable message traffic sign (hereinafter referred to as "the authorised sign C") conforming as to size, colour and character with the sign referenced Sign C in the said set of drawing and displaying the second aspect when required; and

4. authorises the erection at the said sites on the said roads of a variable message traffic sign (hereinafter referred to as "the authorised sign D") conforming as to size, colour and character with the sign referenced Sign D in the said set of drawing and displaying either the first, second or third aspects as required; and

5. authorises the erection at the said sites on the said roads of a traffic sign (hereinafter referred to as "the authorised sign E") conforming as to size, colour and character with the sign referenced Sign E in the said set of drawings; and

6. authorises the erection at the said sites on the said roads of a traffic sign (hereinafter referred to as "the authorised sign F") conforming as to size, colour and character with the sign referenced Sign F in the said set of drawings; and

7. authorises the erection at the said sites on the said roads of a traffic sign (hereinafter referred to as "the authorised sign G") conforming as to size, colour and character with the sign referenced Sign G in the said set of drawings; and

8. authorises the erection at the said sites on the said roads of a traffic sign (hereinafter referred to as "the authorised sign H") conforming as to size, colour character with the sign referenced Sign H in the said set of drawings; and

9. authorises the erection at the said sites on the said roads of a traffic sign (hereinafter referred to as "the authorised sign I") conforming as to size, colour and character with the sign referenced Sign I in the said set of drawings; and

10. directs that the charge symbol shown in the attached drawing numbered NS 67 may be placed on any appropriate directional sign in Schedule 7 to the Traffic Signs Regulations (Part I of S.I. 2002/3113, "the 2002 Regulations") as required; and

Department for Transport

GT50/060/0018

11. directs that when the amber light signals on Signs C and D are illuminated each lamp shall show an intermittent amber light at a rate of flashing of not less the 60 nor more than 90 flashes per minute and in such a manner that one horizontal pair of lights is always shown when the other horizontal pair of lights is not shown; and

12. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the erection of the authorised signs A-I at or near the said sites shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State, in writing to the traffic authority for the removal or alteration of the authorised signs A-I and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

The provisions of Regulations 12, 18 and 19 of the 2002 Regulations shall apply to the authorised signs A, B, C, D, E and F in the same manner as they apply to the sign shown in diagram 2017 in Schedule 6 to those Regulations.

The provisions of Regulations 12, 18 and 19 of the 2002 Regulations shall apply to the authorised signs G and H in the same manner as they apply to the sign shown in diagram 818.2 in Schedule 4 to those Regulations

Dated ..... 11 September 2014

Signed by authority of the Secretary of State

NOTES: 1. COLOURS : Background ---- RED
'C' Character --- WHITE

A white border, 1/2 stroke width wide, is added when the symbol is placed on a sign with a dark background.

2. DIMENSIONS : Symbol sizes are shown in the table below. The size used will depend on the sign on which the symbol is placed. Sizes shown in stroke widths (sw) relate to the x-height of the main sign. (4sw = x-height)

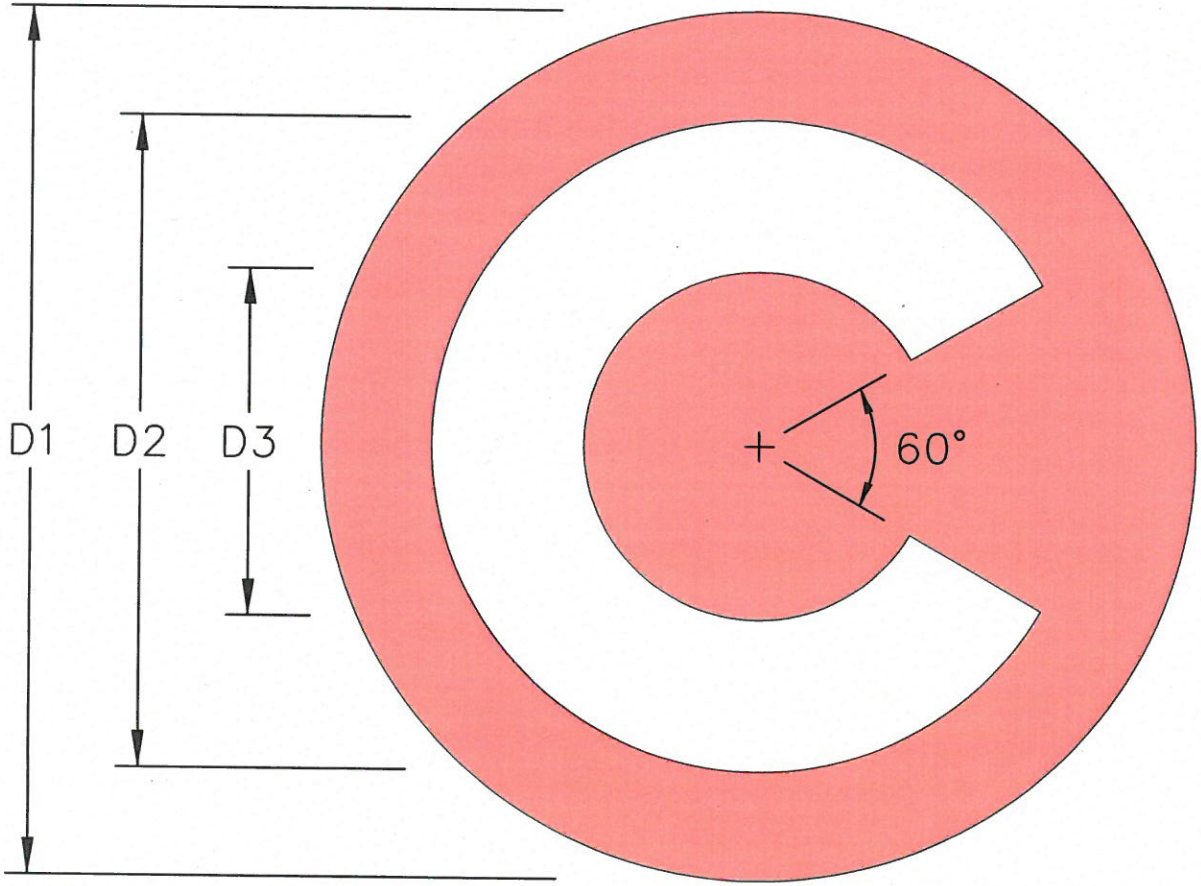

TABLE OF SYMBOL SIZES		
D1	D2	D3
16 sw dia	12 sw	6.4 sw
20 sw dia	15 sw	8 sw
600 mm dia	450 mm	240 mm

NOTE: Values of D2 and D3 shall be varied proportionally for symbol diameters D1 not shown in the table.
