6. directs that it is a condition of this authorisation that the authorised plate may be placed only to indicate the effect of a corresponding Traffic Regulation Order; and
  7. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the erection of the authorised plate at or near the said sites shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised plate and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

The provisions of Regulations 6, 7 and 8 of the 2016 Regulations shall apply to the authorised plate in the same manner as they apply to the plate described in Schedule 3, Part 3, Item 15 of those Regulations.
