Authorisation of traffic signs and special directions

Accessible transcript

Secretary of State for Transport's traffic authorisation of traffic signs of reducing vehicle speeds at the Wimborne Road / Serpentine Road roundabout, for which Bournemouth, Christchurch and Poole Council is the traffic authority.

The following pages contain a copy of the text from the Secretary of State for Transport's traffic authorisation regarding the above traffic signs.

A scanned copy of the signed authorisation and supporting documents from the application are appended to this letter. The supporting material is submitted to the Department for Transport by a third party. You should refer to the party involved for accessible copies of the supporting material.

**HIGHWAYS ACT 1980 – SECTION 90
AUTHORISATION OF ROAD HUMPS**

The Secretary of State for Transport, in exercise of his powers under Section 90 of the Highways Act 1980, and of all other powers enabling him in that behalf, for the purpose of reducing vehicle speeds at the Wimborne Road / Serpentine Road roundabout, for which Bournemouth, Christchurch and Poole Council is the traffic authority, hereby:-

1. authorises the placing upon a road hump, at or within 5 metres of the sites shown schematically on the attached plan numbered GT50/011/0018-1, of a parallel crossing (hereinafter referred to as “the authorised crossing”) as defined within Schedule 1 of the Traffic Signs Regulations and General Directions 2016 (Part 1 of S.I. 2016/362, “the 2016 Regulations”) and conforming as to size, colour and character with that shown on the attached plan numbered GT50/011/0018-2; and
2. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the placing of the authorised crossing at or near the said sites shall continue to have effect only until such day as may be appointed by one month’s notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised hump, and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

The provisions of the Highways (Road Humps) Regulations 1999 shall apply to the road hump and the authorised crossing, save that an imaginary line along the centre of each hump from one side of the road to the other need not be in the same position as an imaginary line along the centre of the limits of the crossing from one side of the road to the other as shown in the diagram in Schedule 14, Part 2, Item 53 of the 2016 Regulations.

The provisions of Regulations 5, 7, 9, 10 and 11 of the 2016 Regulations shall apply to the authorised crossing in the same manner as they apply to the marking shown in the diagram in Schedule 14, Part 2, Item 53 of those Regulations.
