4. directs that when illuminated, the green signal in the indicator denotes the period during which an automatic bollard is in the open position and that vehicular traffic may proceed; and
5. directs that it is a condition of this authorisation that the authorised sign shall be erected only to indicate the effect of a corresponding Traffic Regulation Order; and

6. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the erection of the authorised sign at or near the said sites shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised sign and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

The provisions of Regulation 7 and Schedule 14, Part 1, Paragraph 28(1) and 28(3) of the 2016 Regulations shall apply to the apparatus in the same manner as they apply to the traffic light signal shown in diagram 3000 in Schedule 14, Part 2, Item 1 of those Regulations.
