AUTHORISATION OF TRAFFIC SIGNS AND SPECIAL DIRECTIONS**

The Secretary of State for Transport, in exercise of his powers under Sections 64 and 65 of the Road Traffic Regulation Act 1984, and of all other powers enabling him in that behalf, for the purpose of indicating to cyclists a route across signal controlled junctions in London, hereby:-

1. authorises the placing at appropriate sites on the Transport for London Road Network and on roads designated as "cycle superhighways" of a road marking (hereinafter referred to as "the authorised marking") conforming as to size, colour and character with that shown on the attached drawing numbered WBM (R) 294, save that the authorised marking may be reflectorised; and
2. directs, without prejudice to any statutory provision to the like effect, that it is a condition of this authorisation that the placing of the authorised marking, at or near the said sites shall continue to have effect only until such day as may be appointed by one month's notice given by the Secretary of State in writing to the traffic authority for the removal or alteration of the authorised marking and on that day the said authorisation shall, without prejudice to the giving of any further authorisation or direction, cease to have effect.

The provisions of Regulation 12 of the Traffic Signs Regulations 2002 (S.I. 2002/3113) shall apply to the authorised marking in the same manner as they apply to the road marking shown in diagram 1003.3 in Schedule 6 to those Regulations.
